

HARD CORNERS HAVE NEVER BEEN THIS SAFE

MIRROR SHIELD™ A PACKAGING SOLUTION FROM ASI

Products damaged during shipping or on-site storage will add unnecessary costs and delays to even the best managed building projects. Often, the added expenses exceed the cost of the damaged product itself.

To protect our customers, ASI has developed an **extra-strength, double-pack packaging system** specifically designed to protect against damage caused by improper handling by freight carriers and field personnel.

All mirror products that are shipped via UPS are specially packed in the ASI Mirror Shield™ packaging to help assure timely, damage-free delivery.

For a complete list of sizes with Mirror Shield™ packaging, refer to the ASI Washroom Accessories Price List in the Reference Library online: www.americanspecialties.com/brochures
